HE IS CALLING ME

Song-Lyrics by Rudolf L. Gruber, all Rights reserved

VERSE:

He´s walking in the desert. He´s walking in the streets.
They call him son of heaven, they call him son of man.
He´s talking about a kingdom. He´s talking about a father,
A father, who is loving you more than you can imagine. Be sure

CHORUS:

He´s calling me. He´s calling you. He wants to guide us home,
Home to a glory kingdom, home to the land of love.

VERSE:

He´s walking by the lakeside, the fishermen are busy.
They´re working in their fisher-boat, the nets are rather broken.
„Hey man, I see you are righteous, I need you for my mission.
My order for you is hard enough, but you get a great reward.“ Just now

CHORUS:

He´s calling me. He´s calling you. He wants to guide us home,
Home to a glory kingdom, home to the land of love.

VERSE:

Zaccheo is a little man, but mighty, rich and cunning.
He earns much money since many years, today he´s missing a real friend.
The lord is walking down the street, Zaccheo wants to see him.
He´s climbing up the big old tree and the savior calls his name.

CHORUS:

He´s calling me. He´s calling you. He wants to guide us home,
home to a glory kingdom, home to the land of love.
